1. INTRODUCTION

GEP Eleanor Prize is an APP developed with open source technology that is based on a cloud web platform. We are at the beginning and we ask you for feedback that we will need to make improvements. For this first phase, the APP will be made available to students of tertiary schools to enter the data of the participants, the documents and the attachments required by the competition organized by the ASSOCIAZIONE PREMIO ELEANOR WORTHINGTON-ODV.

By typing <https://eleanorprize.org> in the address bar in your browser, for example, Firefox or Chrome or Safari and others, you access the APP homepage.

The main content area is titled 'ELABORATO dettaglio'. It features a green status box with a checkmark and the text: 'COMPLETATO / COMPLETED data entered: ok-students, ok-foto, ok-audio, ok-video, ok-video_anonimo'. Below this, there is a paragraph: 'Per la partecipazione al concorso è stata inserita l'opera completa di almeno 1 immagine e video. Puoi continuare ad inserire non più di 4 immagini. Ricorda, le audio-descrizioni sono OBBLIGATORIE.' Below the status box, there is a horizontal menu with five items: '1. Titolo e concept', '2. Studenti / Gruppi', '3. Audio-descrizione', '4. Immagini', and '5. Video'. The '4. Immagini' item is selected. Below the menu, there is a dark grey panel with two sections: 'Prima opera' and 'First work'. Each section has a list of placeholder text. At the bottom of the panel, there is a small text: '+ Caricata da: paola'. At the very bottom of the page, there is a yellow button labeled 'Torna indietro'.
